

FORM - I
APPLICATION FOR MINING LEASE (SEE RULE 22 (1))
To be submitted in Triplicate

Received _____
at _____ (Place)
on _____ (Date)
Initial of Receiving Officer.

Government of _____
Application for mining Lease(See Rule 22(1)
of the Mineral Concession Rule, 1960).
Dated the _____ day
of _____ 19_____.

To

Through:

Sir,

I/We request that a mining lease under the Mineral Concession Rules, 1960 may be granted to me / us.

2. A sum of Rs.500/- and Rs.100/- being the fees in respect of this application and preliminary expenses respectively payable under sub-rule (3) of Rule 22 of the said rule have been deposited (vide receipt challan No. _____ dated _____ of the State Bank of India / Treasury _____).

3. The required particulars are given below:

- (i) Name of the applicant with complete address.
Status of the applicant.
- (ii) Is the applicant a private individual /
Co-operative/firm/association/Private
Company/Public Company/Public
Sector undertaking/Joint Sector
Undertaking or any other.

contd...2

- (iii) In case the applicant is,
(a) an individual, his nationality, qualifications and experience relating to mining
(b) a company, an attested copy of the certificate of registration of the company shall be enclosed.

(c) ***

(d) firm or Association, the nationality of all the partners of the firm of members of the association : and

(e) a co-operative, the nationality of non-Indian members, if any along with place of registration and a copy of the certificate of registration.

(iv) Profession or nature or business of applicant.

(v) Particulars of documents appended :

Document

Reference

(a) Mining dues clearance certificate

(or)

(b) Affidavit in lieu of Mining Dues Clearance Certificate ; subject to the production of mining lease dues, clearance certificate within the period of ninety days of making application.

(or)

(c) Affidavit when not holding any mining lease.

(d) Affidavit that up-to date income tax returns as prescribed under the Income Tax Act, 1961 and that the tax due including the tax on account of self-assessment has been paid.

(vi) Mineral or mineral which the applicant intends to mine.

(vii) Period for which mining lease is required :

contd...3

- (5) For areas where no forest maps or cadastral maps are available a sketch plan should be submitted on scale showing the area applied for together with boundary, if any, of any other existing mining lease or prospecting licence area, if they are applied for has any common point or line with the boundaries of existing prospecting licence or mining lease areas.
- (xii) The area applied for should be marked on plant as detailed below :
- (a) In case cadastral amp of the area is available, the area on this map should be marked showing the name of the village, Khasra number and area in hectares of each field and part thereof.
- (b) In the case of forest maps the area should be marked on the map showing the range and feeling series:-
- (c) In case neither cadastral nor forest maps are available, the area should be marked on a sketch plan drawn to scale showing on this plan all important surface and natural features, the dimension of the lines forming the boundary of the area and the bearing and distance of all corner points from any important prominent and fixed point or points.
(No.1 (3)/68-MII Dt.30-3-68)
- (xiii) Particulars of the areas mineral wise in each State duly supported by an affidavit for which the application or any person joint in interest with him.
- (a) already holds under mining lease.
- (b) has already applied for but not granted.
- (c) being applied for simultaneously :
- (xiv) Nature of Joint in interest if any.

- (xv) (a) Does the applicant hold a prospecting licence over the area mentioned at (xi) above? If so, give its number and date of grant and the date when it is due to expire.
- (b) Has the applicant carried out the prospecting operations over the area hold under prospecting licence and sent his report to the State Government, required by rule 16 of the Mineral Concession Rules, 1960 ?. If not, state reasons for not doing so.
- (xvi) Board parameters of the mineral/ore body/bodies :
- (a) Strike length, average width and : dip.
- (b) Wall rocks on hanging and foot wall sides.
- (c) Whether area is considerably, disturbed geologically or is comparatively free of geological disturbances, (copy of geological map of the area to be attached).
- (d) Reserves assessed with their, grades(s) (chemical analysis reports of representative samples are to be attached)
- (e) Whether the area is virgin. If not, the extent to which it has already been worked, in case there are old workings, their locations are to be shown on the geological map of the area.
- (xvii) Board parameters of the mine:
- (a) Proposed date of commencement of the mining operations.
- (b) Proposed rate of mineral production during the first 5 days (Year-wise)
- (c) Proposed rate of production when mine is fully developed.
- (d) anticipated life of the mine.
- (e) Proposed method of mining (Under ground or opencast)

- (i) If underground, the method of approach to the deposit mineral / Ore-whether through lielines or shafts.
- (ii) If opencast, the overburden to ore ration and overall pit slope.
- (f) Nature of the land chosen for dumping overburden/waste and tailings (that is type of land whether agricultural, grazing land; barren, saline a land etc.) and whether proposed site has been shown on the mine working plan. Give also the extent of area in hectares set apart for dumping of waste and tailings.
- (xviii) A report the details of prospecting carried out in the area together with assessment of the ore reserves, geological plans, results of chemical analysis of the representative samples, and boreholes and logs.
- (xix) Manner in which the mineral raised is to be utilised.
 - (a) (i) if for captive use, the location of plant and industry.
 - (ii) for sale for indigenous consumption.
 - (b) If for exports to foreign countries :-
 - (i) names of the countries to which it is likely to be exported where the mine is being set up on 10% export oriented or tied up basis.
 - (ii) Whether mineral will be exported in raw form or after processing. Also indicate the stage of prospecting, whether intermediate stage or final stage of the end product.
 - (c) If it is to be used within the country, indicate :-
 - (i) The industry/industries in which it would be used.

- (ii) Whether it will be supplied in raw form or after processing (crushing/grinding/beneficiation/ calcining).
- (iii) Whether it would need up gradation and if so, whether it is proposed to set up beneficiation plant. Also indicate the capacity of such plant and the time by which it would be set up.
- (d) in case of coal, or other high; bulk minerals, ores details of existing railway transport of mix facility available and additional transport facility, if any, required.
- (xx) Name, qualification and experience of the Technical personnel available for super- vising the mines.
- (xxi) (I) Financial resources of the applicant.
- (ii) Anticipated yearly financial investment during the course of mine construction and aggregate investment upto the stage of commencement of commercial production.
- (xxii) (a) Nature of waste water, (e.g. whether acidic If so, expected PH value).
- (b) The application form should be accompanied by a statement of the salient features of the scheme of mining. This should be generally on the lines of the Project at a Glance given in a mining feasibility report including features relating to the protection of environment.

I / We do hereby declare that the particulars furnished above are correct and I am/are ready to furnish any other details including accurate plans and security deposit as may be required by you.

Place : _____.

Yours faithfully,

Date : _____.

Signature of the Applicant.

The topographical map of 1-1 mile scale is obtainable from the office of the survey of India, Hathibarkhala, Dehra Dun.

Detailed plan and topographical map are to be attached in triplicate with the original application in case mineral applied for is a scheduled mineral.

- NOTE :-
1. If the application is signed by an authorised agent of the applicant, then the Power of Attorney should be attached.
 2. The application should relate to one compact area only, except when the application for mining lease is for an area already held under prospecting licence by the applicant.
 3. Such large size map, as may be available should be attached for proper demarcation of the area, specially when the area applied for is 40 hectares or less (No. MII-152 (58)/61, Dt. 30-4-63).
